(a) In carrying out the responsibilities of FAR 1.602-2, the contracting officer may designate another Government contracting officer, or other Government employees, or another contractor:

(1) To furnish technical guidance and advice or generally supervise the work performed under the contract. Such designations will be in writing and will define the scope and limitation of the representative's authority; and, will be addressed to the designee with a copy to be forwarded to the contractor except as indicated in 801.603-71. Except as provided in paragraph (c) of this section representatives will not be authorized to make any commitments or changes which will affect the price, quantity, quality or delivery terms.

(All changes to a contract must be authorized by a contracting officer acting within the scope of his/her authority.)

(2) To take actions authorized in the contract, such as issue delivery orders, reject unsatisfactory items, order replacement of such items (materials or services) and, when necessary, declare contractor in default on specific delivery orders. Except for blood, this authority will be delegated only to other Government contracting officers under centralized indefinite delivery type contracts and the contract will so state. Centralized contracts for blood will provide that contracting officers at ordering offices are authorized to designate representatives and alternate representatives to place delivery orders subject to the same restrictions stated in paragraph (a)(3) of this section.

The designation of representatives and alternates will be in writing and will define the scope and limitations of the representative's authority, and will be addressed to the employee(s) with a copy to the contractor. Such designations will be made only by the prime contracting officer and are not redelegable.

(b) In the administration of research and development contracts, any representative appointed pursuant to this section must be acceptable both to the contracting officer and the administration head or staff office director concerned. When it is necessary to designate a representative under this paragraph (b), the clause in 852.270-1 will be observed.
